Attachment A -Proposal Package

Attachment B- General Contract Provisions

I. Services & Prices

The Mississippi Department of Employment Security (hereinafter “**MDES, Agency or State**”) is requesting proposals for the provision of security services at the Agency’s State Office facility. MDES may require additional security guards statewide on an as needed basis. Any locations in the Jackson Metropolitan and other areas of the state will be covered under the terms of the proposed contract.

Security services will consist of the labor, materials, equipment and supervision necessary to fulfill the requirements of this Request for Proposals (RFP).

The contract to be awarded will be a fixed price agreement and will require services to be performed by one selected contractor. The contractor will designate one person who will be responsible for all activities required to fulfill the specifications of said contract. This individual shall be vested with the authority to make decisions and commitments on behalf of the contractor during performance of the contract.

II. Duration

The initial term of the security contract shall be from May 1, 2015, through April 30, 2019, with an option to renew for up to one (1) additional twelve (12) month period provided, however, that any contract extension shall be under the same prices, terms, and conditions identified in the contract, and shall be agreed to, in writing, by the State and the Independent Contractor. Renewal of the contract, relative to the option year, will become effective on May 1, 2019. The period of performance under the initial contract term and under any extension (option year) shall be conditioned upon the receipt of funds and satisfactory performance during prior years as determined by MDES.

III. Relationship of Parties

It is expressly understood and agreed that MDES enters into a contract with the selected contractor based on the purchase of professional services and not based on an employer-employee relationship. For all purposes under this contract:

1. The Contractor represents that it has, or will secure, at its own expense, applicable personnel who shall be qualified to perform the duties required under this contract. Such personnel shall not be deemed in any way,

directly or indirectly, expressly, or by implication, to be employees of MDES.

2. Any person employed by the Contractor to perform the services thereunder shall be the employee of the Contractor, who shall have the sole right to hire and discharge its employee. MDES may, however, direct the Contractor to replace any of its employees under this contract.
3. The Contractor shall pay, when due, all salaries and wages of its employees, and it accepts exclusive responsibility for the payment of Federal Income Tax, State Income Tax, Social Security, Unemployment Compensation and any other withholdings that may be required.

IV. Contract Administration

The contract awarded subsequent to this solicitation shall be administered by MDES. The selected contractor will be reimbursed for allowable costs that have been identified and approved in a contract that the selected contractor and MDES have negotiated and executed. Contractors will be required to maintain documentation necessary to support each cost. All invoices submitted by the Contractor for payment of services performed pursuant to the contract shall be submitted as follows:

Chief Fiscal Officer
Mississippi Department of Employment Security
P.O. Box 1699
Jackson, MS 39215-1699

MDES agrees to pay Contractor in accordance with Mississippi law on “Timely Payments for Purchases by Public Bodies”, Sections 31-7-301, et seq. of the 1972 Mississippi Code Annotated, as amended, which generally provides for payment by the State within forty-five (45) days of receipt of the invoice. Contractor understands and agrees that MDES is exempt from the payment of taxes. All payments shall be in United States currency.

The State requires the Contractor to submit invoices electronically throughout the term of the agreement. Vendor invoices shall be submitted to the state agency using the processes and procedures identified by the State. Payments by state agencies using the Mississippi Accountability System for Government Information and Collaboration (MAGIC) shall be made and remittance information provided electronically by the State. These payments shall be deposited into the bank account of the Contractor’s choice. Contractor understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.

Acceptance by Contractor of the payment from MDES shall operate as a release of all claims against the State by the Contractor.

Security guards shall maintain a neat and clean personal appearance. The proposing security guard service will provide a copy of their dress code or uniform requirements for approval.

IX. Compensation

A. Services Provided Rate

Compensation for services will be in the form of a fixed price agreement based on the "Hourly Provider Wage Rate." The Hourly Provider Wage Rate is defined as the hourly rate the MDES pays the security guard service provider for services rendered. This includes costs for security guard compensation, taxes, insurance, overhead, profit or other expenses, including serviceable firearms, ammunition, nightstick, serviceable

flashlight and raingear. The proposing contractor should provide this amount in their proposal. (See attachment A of proposal package.) Additionally, the MDES State Office requires the assignment of (1) on-site supervisor. The supervisor must work a minimum of thirty-six (36) hours per week and MDES reserves the right to approve a higher rate of pay for the supervisor based on training, education, and experience. This amount and justification must be included separately from the Hourly Provider Wage Rate in the proposal. MDES may consider a price adjustment clause for cost of living increases over the contract period. Proposing contractors who wish to provide cost of living increases for security service personnel should also include this in their proposal.

B. Increases in Minimum Wage or Other Government Regulations

In the event government regulations such as payroll taxes, minimum wage requirements, or other rules and regulations, should require the security guard service provider to increase its compensation to its employees, the MDES agrees to renegotiate the rate being paid the security guard service provider to allow for a portion of such increases and other overhead cost, i.e.: insurance, general and administrative expenses; however, this will only apply if the security guard service's employees are being paid at a minimum wage rate. If adjustments are sought for workers who are paid more than minimum wage, this will be handled through a negotiation process. If any cost of living increase for the employees is agreed upon, it will be deducted from any minimum wage increase before it is applied for the remainder of that fiscal year. Under no circumstances will the increase for overhead cost exceed twenty-five percent (25%) of the increase in compensation to the employees of the security guard service provider. When calculating the twenty-five percent (25%) for overhead cost, any fractional cent equal to or in excess of one half cent will be rounded to the next highest cent. Prior to each increase, the security guard service provider and MDES will concur, in writing, as to appropriate hourly provider wage rate and minimum employee wage rate that will become effective under the circumstances noted in this paragraph. In instances where renegotiations fail, MDES reserves the right to invoke the "Termination for Convenience" clause of the contract between the Agency and the security guard service provider.

C. Maximum Duty Shifts

1. Shifts Not to Exceed Twelve Hours

No security guard or supervisor will work more than twelve (12) hours including any and all breaks, in a twenty-four (24) hour period. MDES management, in an emergency situation, can waive

this when circumstances are beyond the control of the security guard service provider.

2. Shift Relief

Notwithstanding the previous subsection, no security guard shall leave his post of duty unless relieved by appropriate personnel.

X. Site Visit

There will be a walkthrough of the MDES State Office facility located at 1235 Echelon Parkway, Jackson, Mississippi, on February 12, 2015, at 1:30 p.m. Prospective contractors are strongly encouraged to attend this visit.

XI. Affidavit Attesting To Eligibility

Upon approval of the contract by the Mississippi Personal Service Contract Review Board, a representative of the selected contractor shall submit a currently dated sworn affidavit in a form acceptable to the Chief of Procurement for MDES that fully identifies himself, indicates his tenure and position with the contractor and includes substantially the following language:

“I am personally familiar with the efforts to check the backgrounds and qualifications of all security guards and supervisors who my security agency now intends to use under the MDES contract. I have also read and am familiar with the security guard eligibility requirements contained in the contract with MDES. It is my honest and firmly held opinion, based on what I believe to be a reasonable basis for forming such an opinion, that all such guards and supervisors are fully eligible according to the contract. It is further my firm understanding that my security company has a strong and clear policy against assigning any guard or supervisor to duties under the MDES contract unless he is fully eligible.”

XII. Legal Holidays

Although offices will be closed on Legal Holidays, security guard services will still be required inside at MDES headquarters, unless notified by MDES that guard services is needed elsewhere. Legal Holidays for the Agency are as follows:

- A day fixed by proclamation of the Governor – Thanksgiving Day
- December 25 – Christmas Day
- Any other day designated by the Governor’s Office at a legal holiday. (This usually includes the day after Thanksgiving and one extra day at Christmas).

XIII. Changes in Scope Of Work

MDES may order changes in the work consisting of additions, deletions, or other revisions within the general scope of the contract. No claims may be made by the Contractor that the scope of the project or of the Contractor’s services has been changed, requiring changes to the amount of compensation to the Contractor or other adjustments to the contract, unless such changes or adjustments have been made by written amendment to the contract signed by MDES and the Contractor.

If the contractor believes that any particular work is not within scope, is a material change, or will otherwise require more compensation to the Contractor, the Contractor must immediately notify MDES in writing of this belief. If MDES believes that the particular work is within the scope of the contract as written, the Contractor will be ordered to and shall continue with the work as changed and at the cost stated for the work within the scope.

Unless submitted via the Mississippi Accountability System for Government Information and Collaboration (MAGIC), the proposal submission must consist of one original and four copies. The original must be signed by a person authorized to sign for the proposer's organization. Omissions, inaccurate submissions, or out-of-order responses may cause Proposer's score to be reduced substantially, and may lead to proposal rejection.

B. Acceptance of Proposal Content

MDES reserves the right, in its sole discretion, to waive minor irregularities in proposals. A minor irregularity is one that does not affect the cost stated in the proposal, give one party an advantage or benefit not enjoyed by all parties or adversely impact the interest of MDES. Waivers, when granted, shall in no way modify the RFP requirements or excuse a party from full compliance with the RFP specifications and other contract requirements if the party is awarded the contract. The contents of the proposal of the selected contractor may become contractual obligations if a contract ensues. Failure of the selected contractor to accept these obligations may result in cancellation of the award. Precedence of contractual documents will be Contract, RFP, and Proposal (as accepted).

C. Due Date

strongly encouraged. Receipts will be issued upon request. Proposals that are hand-delivered must be submitted to the above address by the foregoing date and time. Proposals will also be accepted through the MAGIC system.

D. Rejections of Proposals

All awards will be based upon fund availability. MDES reserves the right to terminate or modify any part of this procurement process at any time and for any reason; to award one contract or multiple contracts; to negotiate changes; to make no awards; and to issue new and/or revised policies and clarifications at any time. If it becomes necessary to revise any part of this RFP, addenda will be provided to all entities who received the original RFP.

F. Proposal Authorship and Ownership

Use of professional proposal writers is discouraged since the quality of the proposal is one method for evaluating the skills of the staff and the ability of the organization to run the campaign. All proposal writers who do not work for the proposing organization on an ongoing basis must be identified and cannot be paid proposal writing fees from current or future MDES awards.

All proposals become property of MDES. Proposals will be made available for inspection only after award of contract. For this reason, proprietary material should be clearly labeled as such. The classification of an entire proposal as proprietary or trade secret is not acceptable and may result in rejection of the proposal. Request to review proprietary information will be handled in accordance with state law and applicable procedures. All disclosures of proposal information to interested parties will be made in compliance with MDES's policies and procedures established in accordance with the Mississippi Public Records Act of 1983 defined in Section 26-61-1 of the Mississippi Code and exceptions found in Section 25-61-9 and 79-23-1.

H. Equal Opportunity and Fair Treatment Assurance

Contracts, grants, loans, purchases, and all other financial transactions are administered by MDES equally to all without regard to race, color, creed, sex, religion, national origin, disability, or age. In addition, Proposer understands that MDES is an equal opportunity employer and therefore, maintains a policy which prohibits unlawful discrimination based on race, color, creed, sex, age, national origin, physical handicap, disability, genetic information, or any other consideration made unlawful by federal, state, or local laws.

All such discrimination is unlawful, and Proposer agrees during the term of the agreement that Proposer will strictly adhere to this policy in its employment practices and provision of services. Proposer shall comply with, and all activities under this agreement shall be subject to, all applicable federal, State of Mississippi, and local laws and regulations, as now existing and as may be amended or modified.

I. Common Rule

In accordance with Section .36 (e); A.110.44 (b) of the Common Rule, MDES encourages, whenever possible, the utilization of small businesses, minority-owned firms, women's business enterprises, and labor surplus area firms.

J. Fiscal Administration

Each service provider must establish and maintain accounting and reporting systems that meet MDES and Federal requirements.

K. Audit Bonding and Insurance

Any audit shall comply with applicable Federal and MDES rules, regulations, policies and procedures.

Each private-for-profit organization that expends five hundred thousand dollars (\$500,000.00) or more in Workforce Investment Act (WIA) funding within its fiscal year must conduct an organization-wide financial and compliance audit performed on that fiscal year, in accordance with generally accepted government auditing standards (GAGAS), or a program-specific audit performed in accordance with generally accepted government auditing standards (GAGAS).

Organizations that are not currently funded by MDES **must** submit a copy of their most recent audit.

Such insurance shall at a minimum, include the following types of insurance and coverage limits:

1. Comprehensive General Liability or Professional Liability Insurance- \$1 million each occurrence, with MDES added as an additional insured
2. Workers Compensation
3. Employee Dishonesty Bond Insurance with third party liability coverage and with limits of \$100,000.00

Proposer understands that should the minimum amounts listed above prove to be inadequate at any point during the contract period, proposer will be required to obtain adequate insurance.

L. Pricing

The charges in the proposal must not exceed those charged by the prospective contractor to any other individual or organization for the same or similar services.

The prospective contractor must guarantee that prices and/or cost data have been arrived at independently, without consultation, communication or agreement for the purpose of restricting competition. This neither precludes nor impedes the formation of a consortium of companies and/or agencies.

The prospective contractor further certifies that all costs and prices are good faith best estimates as of the time the proposal is submitted.

M. Response to Inquiries

Individuals may submit questions regarding this proposal via email to bids@mdes.ms.gov until 5:00 p.m. CST, February 13, 2015. XVI. Proposal & Scoring Selection

A. Responsive to the RFP

This is a pass/fail criterion applied to all proposals. If the proposal is incomplete, contains inaccurate information, or fails to contain the program design required by the RFP, it may be deemed unresponsive and may not be considered for funding.

B. Proposal Rating Criteria

Proposals will be evaluated as described in this section. The award will be made to the best proposal. The criteria and the level of importance associated with each criterion are listed. The criteria for selecting the successful contactor are the following:

- i. The overall quality of the proposed plan for performing the required services (the plan should reflect an understanding of the project and its objectives). Consideration will be given to the completeness of the response to the specific requirements of the solicitation (***Very Important***)
- ii. Proposer's ability to provide the required services as reflected/evidenced by technical training and education, general experience, specific experience in providing the required services, and the qualifications and abilities of personnel proposed to be assigned to perform the services (***Critical***)
- iii. The personnel, equipment, and facilities to perform the services currently available or demonstrated to be made available at the time of contracting (***Important***)
- iv. A record of past performance of similar work (***Important***)
- v. Price (***Very Important***)
- vi. Vendor's financial standing as indicated by their most recent audits/financial statements and other financial documentation (***Very Important***)

The score will be determined according to the degree of compliance made in the proposal in meeting each component of the responsibilities and requirements in this RFP. Prospective contractors must, upon request of MDES, furnish satisfactory evidence of their ability to provide services in accordance with the terms and conditions of these requirements. MDES will obtain information about the prospective contractors' ability to meet requirements through reference checks, including references not submitted by the proposed contractor. MDES reserves the right to make the final determination as to the prospective contractors' ability to meet

requirements, including any information the Agency may have regarding services provided to MDES previously and the company's responsiveness to issues and concerns.

C. Negotiation Rights

MDES reserves the right to negotiate with any or all prospective contractors concerning modification to proposals. Discussions may be conducted with prospective contractors who submit proposals determined to be reasonably susceptible of being selected for award, but proposals may be accepted without such discussions.

D. Approval Process

A review board will evaluate and score each responsive proposer using the consensus scoring method and scoring criteria in Section XVII. The Personal Services Contract Review Board (PSCRB) must also approve this procurement.

E. Contracts

Funding awards will not be final until the MDES and the proposer have negotiated and executed a written contractual agreement and this agreement is approved by the Personal Services Contract Review Board. If a contract is awarded, the selected proposer will be required to comply with general provisions that will be part of the contract. These general provisions are included as Attachment B to this RFP. Any resulting contract shall be governed by the applicable provisions of the *Mississippi Personal Service Contract Review Board Rules Regulations*, a copy of which is available at 210 East Capitol, Suite 800, Jackson, Mississippi 39201 for inspection, or downloadable at <http://www.mspb.ms.gov>.

F. Incurring Costs

MDES assumes no liability for costs incurred in responding to this RFP or for costs incurred in anticipation of a contract.

G. Protests

A prospective contractor wishing to protest MDES's selection or fund allocation decision may submit a written protest to MDES within fifteen (15) calendar days after the notification of a decision. The protest will be conducted in accordance with MDES's procurement policy.

I. Representation Regarding Gratuities

Proposer represents that it has not violated, is not violating, and promises that it will not violate the prohibition against gratuities set forth in Section 6-204 (Gratuities) of the *Mississippi Personal Service Contract Review Board Rules and Regulations*.

J. Acknowledgment of Amendments

MDES reserves the right to issue amendments to these guidelines and RFP. If it becomes necessary to amend said guidelines and RFP, MDES will provide copies of the amendments to all persons that requested a copy of the RFP. Amendments to the RFP will be posted on the MDES website (www.mdes.ms.gov). Proposers shall acknowledge receipt of any amendment to the solicitation by signing and returning the amendment with the submission of their proposal, by identifying the amendment number and date in the space provided for this purpose on the bid form, or by letter. The acknowledgment must be received by the Mississippi Department of Employment Security by the time and at the place specified for receipt of bids.

K. Certification of Independent Price Determination

The Proposer certifies that the prices submitted in response to the solicitation have been arrived at independently and without – for the purpose of restricting competition – any consultation, communication, or agreement with any other proposer or competitor relating to those prices, the intention to submit a bid, or the methods or factors used to calculate the prices incorporated in proposal submittal.

L. Compliance with E-Verify

If applicable, Proposer represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act of 2008, and will register and participate in the status verification system for all newly hired employees. Miss. Code Ann. §§ 71-11-1 *et seq.* (1972, as amended). The term “employee” as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, “status verification system” means the Illegal Immigration Reform and

Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. The Proposer agrees to maintain records of such compliance. Upon request of the State and after approval of the Social Security Administration or Department of Homeland Security when required, Proposer agrees to provide a copy of each such verification. Proposer further represents and warrants that any person assigned to perform services hereafter meets the employment eligibility requirements of all immigration laws. The breach of this agreement may subject Proposer to the following:

(a) termination of this Agreement and ineligibility for any state or public contract in Mississippi for up to three (3) years, with notice of such cancellation/termination being made public;

(b) the loss of any license, permit, certification or other document granted to Proposer by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year; or,

(c) both. In the event of such termination/cancellation, Proposer would also be liable for any additional costs incurred by the State due to contract cancellation or loss of license or permit to do business in the State.

M. Relationship of Parties

It is expressly understood and agreed that MDES enters into a contract with a proposer based on the purchase of a service and not based on an employer-employee relationship.

N. Applicable Laws

Proposer is responsible for complying with all applicable federal, state, and local laws and regulations.

This solicitation and any resulting contract shall be governed in all respects by the laws of the State of Mississippi, excluding its conflicts of laws, provisions, and any litigation with respect thereto shall be brought in the courts of Jackson, Hinds County, Mississippi.

P. Availability of Funds

It is expressly understood and agreed that the obligation of MDES to proceed under any agreement resulting from this RFP is conditioned upon

the appropriation of funds by the Mississippi State Legislature and the receipt of state and/or federal funds. If the funds anticipated for the continuing fulfillment of the agreement are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided or if funds are not otherwise available to MDES, MDES shall have the right upon ten (10) working days written notice to Contractor, to terminate the agreement without damage, penalty, cost or expenses to MDES of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

Q. Stop Work Order

It is understood that the following will apply to any contract resulting from this RFP:

This order shall be for a specified period not exceeding 90 days after the order is delivered to Contractor, unless the parties agree to any further period. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, Contractor shall forthwith comply with its terms and take all reasonable steps to minimize the occurrence of costs allocable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties shall have agreed, the procurement officer shall either: (a) cancel the stop work order; or, (b) terminate the work covered by such order as provided in the Termination for Default clause or the Termination for Convenience clause of this contract.

(2) **Cancellation or Expiration of the Order:** If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, Contractor shall have the right to resume work. An appropriate adjustment shall be made in the delivery schedule or Contractor price, or both, and the contract shall be modified in writing accordingly, if: (a) the stop work order results in an increase in the time required for, or in Contractor's properly allocable to, the performance of any part of this contract; and, (b) Contractor asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage; provided that, if the procurement officer decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this contract.

The State may withhold from amounts due the Contractor such sums as the Agency deems to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders and to reimburse the State for the excess costs incurred in procuring similar goods and services.

d. *Excuse for Nonperformance or Delayed Performance:* Except with respect to defaults of subcontractors, the Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by the Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if the Contractor has notified the Agency within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit the Contractor to meet the contract requirements. Upon request of the Contractor, the Agency shall ascertain the facts and extent of such failure, and, if the Agency determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the Contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the State under the clause entitled (in fixed-price contracts, "Termination for Convenience," in cost-reimbursement contracts, "Termination"). (As used in this Paragraph of this clause, the term "subcontractor" means subcontractor at any tier).

e. *Erroneous Termination for Default:* If, after notice of termination of the Contractor's right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the notice of termination had been issued pursuant to such clause.

f. *Additional Rights and Remedies:* The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.

15. *Transparency:* This contract, including any accompanying exhibits, attachments, and

appendices, is subject to the "Mississippi Public Records Act of 1983," codified as § 25-61-1 et seq., Mississippi Code Annotated and exceptions found in § 79-23-1 of the Mississippi Code Annotated (1972, as amended). In addition, this contract is subject to the provisions of the Mississippi Accountability and Transparency Act of 2008 (MATA), codified as § 31-7-13 of the Mississippi Code Annotated (1972, as amended). Unless exempted from disclosure due to a court-issued protective order, this contract is required to be posted to the Department of Finance and Administration's independent Agency contract website for public access. Prior to posting the contract to the website, any information identified by the Contractor as trade secrets, or other proprietary information including confidential vendor information, or any other information which is required confidential by state or federal law or outside the applicable freedom of information statutes will be redacted.

16. Indemnification: To the fullest extent allowed by law, the Contractor shall indemnify, defend, save and hold harmless, protect, and exonerate the Agency, its commissioners, board members, officers, employees, agents, representatives, and the State of Mississippi from and against all claims, demands, liabilities, suits, actions, damages, losses, and costs of every kind and nature whatsoever including, without limitation, court costs, screening fees and expenses, and attorneys' fees, arising out of or caused by the Contractor and/or its partners, principals, agents, employees and/or subcontractors in the performance of or failure to perform this agreement. In the Agency's sole discretion, the Contractor may be allowed to control the defense of any such claim, suit, etc. In the event the Contractor defends said claim, suit, etc., the Contractor shall use legal counsel acceptable to the Agency. The Contractor shall be solely responsible for all costs and/or expenses associated with such defense, and the Agency shall be entitled to participate in said defense. The Contractor shall not settle any claim, suit, etc., without the Agency's concurrence, which the Agency shall not unreasonably withhold.
